CHRISTMAS PARTY BARREL

Many of you may know there is a tradition in Japan where every Christmas, fried chicken is enjoyed by around 3.6 million and served as a “party barrel” so all the family can get together and dive in to.

This is a tradition we feel we can get on board with, so we have created a sharing style “party barrel” package of our own for the festive period, adding a touch of Japanese influence here and there as a nod to this brilliant tradition.
